## Weekly Email Blasts and Monthly Newsletter

You may have I have noticed in my weekly email blasts that I try to include a longer article that I have written at least once a month. I have decided to make this pattern more formal and call it our monthly newsletter, which will function like traditional church newsletter with a cover article and other information. I will continue to send out the weekly email blasts too.

I ask any officers of the congregation, boards, or groups and societies that would like to submit something for the monthly newsletter to email it to me by the 20<sup>th</sup> of the prior month. The newsletter will also be posted on our website, which also contains the current events and the church calendar.

I hope this small change proves helpful,

Pastor

### What is Considered Mentally Ill in Our Crazy Society Today?

I don't know if this is boldly speaking the truth in love or failing to heed [Proverbs 26:4](#), "Answer not a fool according to his folly, lest you be like him yourself."

-----

If a 'trans-species' man claimed he was a female monkey, would we consider him mentally ill? Would we show him pity and try to get him the mental and spiritual help he needs, or would we encourage him to embrace his self-understanding? Would we celebrate his 'courage' and make him the animal of the year? Would we insist that our government force all public restrooms to accommodate him and his 'husband', which is an actual male monkey? Who are we to judge and stop a 'trans-species' man who wants to live in a loving and committed relationship with a monkey? Would we force our children to use bathroom and locker rooms with wild animals? Better yet, why should we be forced to use the bathroom in private at all; we should be free to use any tree, parking lot, or courtroom floor if we self-identify as a wild animal? Again, what is considered mentally ill in our crazy society today?

It seems to me that the only ones in our society that are deemed mentally ill, in need of their minds being changed, are Christians and those who uphold natural law. In our crazy world, you couldn't be more insane to say that a monkey is a monkey, a man a man, and a

woman a woman. You couldn't be crazier than to think there is a true God Who made animals according to kinds and that mankind is uniquely different. You couldn't be more 'hateful' than to point out that our crazy laws better protect baby monkeys in the womb than baby boys and girls. Even though there is no scientific evidence for macroevolution—a fish to a monkey to a man—you are wise to confess this 'fact'. Yet, if you confess that monkeys and men are not interchangeable, you're the backwards thinker that is hindering progress.

What is considered mentally ill in our crazy society today, and what insanity does tomorrow hold? I hope, as a society, we rethink our definitions so that we can show true compassion to mentally and spiritually ill men and women, and protect our children and society from this foolishness. The fool says in his heart, "There is no God."

**Children's Bulletins Available:** *Lessons for Lambs* is not meant to serve as a way to keep kids busy and quiet during the service, but rather to involve them in what's going on in the service so they can begin thinking about it. The bulletins are geared toward kids in 2nd through 6th grades with varying degrees of independence. They could certainly be used with younger kids, in part, with help from their parents.

**Got questions?** Check out the rotating tracts/pamphlets on the table in the narthex each week by former LCMS President Berry. Take one for yourself or a friend. Doctrinal questions are timeless! You may also download them for free here: <https://www.michigandistrict.org/about/beliefs/whatabout>

# Christian Stewardship -Time, Talent, and Treasure

The Lutheran Church-Missouri Synod

## **LCMS Stewardship Ministry – Newsletter Article – September 2017**

“Whatever your hand finds to do, do it with all your might” (Eccl. 9:10).

God bids us to be faithful in the tasks He calls us to do. He calls us to be members of a family (husbands and wives; fathers and mothers; sons and daughters). He calls us to be members of society (those who govern and those who are governed). And He calls us to be members of His family, the Church (those who preach and teach and those who hear and learn). Each of these callings from God places a duty on us.

As members of a family, husbands are given the duty to die for their wives as Christ gave His life for His bride, the Church; while wives are given the duty to respect their husbands and submit themselves to them as the Church does to Christ. Fathers and mothers are to raise their children in the fear and admonition of the Lord, teaching them the Ten Commandments, the Creed, the Lord’s Prayer, and the Scriptures concerning Baptism, Confession, the Office of the Keys, and the Lord’s Supper. Children are to honor their parents throughout their lives, and even when their parents are no longer alive, serving and obeying them, loving and cherishing them, and speaking well of them.

As members of society, God calls those who govern to bear the sword, that is, to punish those who do evil—those who live contrary to God’s will—and to reward those who do good—those whose lives are lived in conformity with God’s will. Those who are governed are to obey their leaders as to the Lord Himself, for their leaders bear the sword of God’s temporal justice for a purpose.

As members of God’s own family, the Church, He calls those who preach and teach to do so in faithfulness to His holy Word. To preach and teach the Law of God to convict the hearts of hearers of their sin and to encourage, admonish, and exhort them to do good works in accordance with God’s will. They are to preach and teach the Gospel, the full forgiveness of their sins accomplished by Christ and received through faith, not by works. They are to administer the means of grace in accordance with the Gospel and the Word of God. They do all this for the young and old alike, for those who are near and far off. Those who hear and learn are to submit themselves to their preachers and teachers. They are to support them by their prayers and their gifts.

Each of these callings from God places a duty on us. They make a claim on our presence, our prayers, and on our time, talents, and treasures. So, “Whatever your hand finds to do, do it with all your might” (Eccl 9:10). Pray for your family, for your government, and your church. Give of yourself by means of your time, your talents, and your treasures to your family, your government, and your Church. That is what it means to be faithful in the tasks that God has given us. That is what it means to do it with all your might.

**Weekly Stewardship bulletin sentences from synod our in our bulletin most weeks—check them out.**

**Amazon Smile:** Don’t forget you can support our church by designating St. John through *Amazon Smile*.

**Prayer:** Please continue to pray for our congregation as we establish ourselves and plan our next steps. Also, please take home your bulletin and pray during the week for those who have requested our prayers.
